

2010 Potential Schedule

Below is a schedule of testing and racing events we are *currently available* for. This schedule will change upon client demand for our services. Please check back often as this page may be updated daily. As we receive confirmations, opposing same-day options will be removed. We can also arrange week -day test sessions at a track of your choice.

Reserve your session early! 614-354-3016

 Available Test Day

"Confirmed" = we will be attending that event & karts are still available
